

Download Samsung Printer Manual Feeder Paper Empty

when i print ,I get this error 'Manual Feeder Paper Empty - Samsung SCX4623F Laser All-in-One questionSOLVEDPrinter asks for manual feed paper only when trying to print from the computer? The computer at work copies, scans and accepts faxes just fine...manual feeder paper empty Huh? I'm not using the manual feeder. What do I do? Thanks. - Samsung SCX4623F Laser All-in-One questionStep 1: Select "Manual" for Paper Source at Printer Driver: The Paper Source setting of your Brother machine will automatically default to Auto Select when printing.
